FY 2017 Solicitation Questions

QUESTION: Where can I find out what documentation that I need to include with my response to the RFQ?

ANSWER: This information can be found under the heading *1.5 Additional Requirements*.

QUESTION: The letter we received states that the deadline for proposals is August 12, 2016; however, the solicitation document indicates that the deadline is August 5, 2016. Which one is it?

ANSWER: This was a clerical error on our part. As a result all deadlines for solicitation responses will be extended until August 12, 2016, to avoid any more confusion.

QUESTION: What if I cannot provide all the services requested in the RFP?

ANSWER: If you cannot provide all the services requested, your proposal will be deemed “not technically acceptable.”
